Browndale Earl 1580515—We hesitated a long time before deciding to sell Browndale Earl. We have a number of calves by him, and a large number of females carrying his service, and as another season would require the purchase of another bull to use on his heifers, we decided to sell him, rather than to carry three herd bulls. Browndale Earl's calves are good, he is active and sure, good disposition, and out of 24 calves all are good colors all but three being dark roan and reds, none are spotted.
